NEW COVER THE MAY 2007
VIEW PAST PICKS

GINA VILLALOBOS
Miles Away [Face West Records]
Miles Away is one of those recordings you'll be playing in a decade, it's timeless and combines every element that makes a recording a classic... *Miles Away* is tough, tender, big, loud, bittersweet, hungry, and honest. It doesn't get much better than this.
—Thom Jurek, Allmusic.com
